

To All of Our Customers,

As 2022 draws to a close, we would like to take a moment to thank all of you for your continued support. We understand that without our loyal customers we wouldn't be in business 111 years and four generations later.

After every season, we look at what we can still improve on. For example, we continue to work on streamlining our pick up and delivery policies for your convenience. The office staff works tirelessly scheduling deliveries to garden centers and landscape jobs in a timely and efficient manner. We can now get our pick- up customers in and out much faster by having the orders pulled ahead. Our team of growers work long hours to produce quality plants for you and your customers.

Pots are already being filled for Spring 2023 and planting will start right after New Year's Day. As always, we are open year- round so if you are in the neighborhood feel free to stop by.

Wishing all of you a Healthy Happy New Year

Thank you

Fred McCarthy
And the entire staff
